Taking you in healthy directions

Like Georgia's mountains and plains, your health has peaks and valleys. At UnitedHealthcare, we're here to help you navigate your health plan. For more than 22 years, we've provided State Health Benefit Plan (SHBP) options designed with your best health in mind.

What's inside this brochure:

- ✓ **Plan summary** – Provides information about your plan options, UnitedHealthcare network providers, clinical and disease management programs, resources and support to help you make an informed 2025 enrollment decision
- ✓ **Benefit grid** – Provides detailed information about your plan coverage, including information about co-pays, deductibles and out-of-pocket maximums

Learn more about:

- ✓ **The HDHP option with a Health Savings Account (HSA)** is the least expensive plan offered by SHBP, and you can use pretax money to pay for qualified expenses
- ✓ **Reducing your health care expenses** – You and your covered spouse each can earn points that can be applied to eligible medical and pharmacy expenses. You each also can earn a \$250 reward card (up to \$500 per household) from UnitedHealthcare for completing certain *Be Well SHBP** activities
- ✓ **Virtual care** – Whether you need 24/7 Virtual Visits for urgent care needs in the middle of the night or behavioral health appointments from the comfort of home, we have options so you can take an appointment where you want, without traveling to a provider's office

To learn more about how to get the most out of your plan and the advantages of UnitedHealthcare, please review the enclosed information and visit [whyuhc.com/shbp](https://www.whyuhc.com/shbp) or call a dedicated SHBP advocate at **888-364-6352 TTY 711**.

Wishing you and your family well,

Health care terms

Co-insurance – Your share of the costs of a covered health care service, calculated as a percentage of the allowed amount for the service.

Co-pay – A fixed amount you pay for a covered health care service, usually when you receive the service.

For more health care term definitions, visit the Just Plain Clear® English and Spanish Glossary at glossary.justplainclear.com.

Deductible – The amount you owe for health care services before your health plan begins to pay.

Out-of-pocket maximum – The most money you have to pay for covered expenses in a plan year.

Where life takes you, we're there

No matter which plan you choose, you'll have access to our broad network of doctors and hospitals, including:

- ✓ Access to our nationwide network of nearly **1.8 million** physicians and health care professionals and **6,000** hospitals*
- ✓ A local Georgia network that includes over **45,000** health care providers and **140 hospitals***
- ✓ No referral needed for specialist visits, even when traveling outside of Georgia
- ✓ Behavioral health support with nearly **9,700** behavioral health clinicians, over **100** behavioral health facilities and **350** group practices throughout Georgia**
- ✓ Access to Centers of Excellence for specialty conditions, such as cancer and transplant
- ✓ Virtual urgent care provider access with 24/7 Virtual Visits

Check if your doctor is in network

- 1 Go to whyuhc.com/shbp > Search for a Provider
- 2 Click on the health plan you're considering to see a list of network providers
- 3 Once you're a member, search for a provider at myuhc.com > Find Care & Costs or search on the **UnitedHealthcare app**.
- 4 Members can sign in at myuhc.com/virtualvisits to talk to a doctor by video 24/7

Choose smart. Look for the blue hearts.

As your health ally, we're committed to helping you make informed decisions when seeking out and choosing a provider. The UnitedHealth Premium program helps make it easier for you to find doctors who meet our quality care criteria, which includes safe, timely, effective and efficient care to help you choose care with confidence. To find a Premium Care Physician near you, look for two blue hearts next to their name on myuhc.com.

Choose the path that's right for you

You have two plan options from UnitedHealthcare.

They're the same in some ways...

	Choice HMO Plan	HDHP with HSA
Quality care		
Access to a large national and local Georgia network	✓	✓
Coverage at 100% for preventive care*	✓	✓
You are not required to choose a primary care provider (PCP)	✓	✓
You can see a network specialist without a referral	✓	✓
Personalized customer service and clinical care tailored to your needs	✓	✓
Savings opportunities		
You and your spouse each can earn up to 480 points to apply to eligible medical and pharmacy expenses when you complete <i>Be Well SHBP</i> ** activities	✓	✓
You and your spouse each can earn a \$250 reward card from UnitedHealthcare when you complete your <i>Be Well SHBP</i> ** activities and redeem all 480 points	✓	✓
Medical and pharmacy expenses both count toward your out-of-pocket maximum	✓	✓

And different in others...

	Choice HMO Plan	HDHP with HSA
Quality care		
The lowest monthly premium of all plans offered by SHBP		✓
Allows you to open a Health Savings Account (HSA) and deposit pre-tax dollars to pay for medical costs		✓
You can use any doctor or hospital you want – inside or outside the network; coverage is lower if you go out of network and you may pay more		✓
You can use any doctor or hospital in the Choice network; if you use a provider outside of the network, you'll be responsible for the entire cost of the service (except in an emergency)	✓	
Savings opportunities		
Under a family tier, once an individual family member's deductible and out-of-pocket maximum have been met, all eligible medical and pharmacy expenses for that member are paid at 100% for the plan year.*** You don't have to wait for the entire family to meet the family deductible and out-of-pocket maximum to receive cost sharing with the plan.		✓

For more information about your plan options, visit [whyuhc.com/shbp](https://www.whyuhc.com/shbp).

*The plans pay 100% of covered services provided by network providers that are properly coded as "preventive care" within the meaning of the Affordable Care Act (ACA).

**Be Well SHBP, the SHBP well-being program, is administered by Sharecare.

***Please note that each individual family member cannot contribute more than their own individual deductible and out-of-pocket maximum to the overall family deductible and out-of-pocket maximum.

Only the HDHP gives you access to an HSA

When you choose the HDHP, you can open an Health Savings Account (HSA) through UnitedHealthcare or at any financial institution of your choice. An HSA offers many benefits now and in the future.

What's an HSA?

An HSA is a personal bank account to help you save money and pay for health care expenses, like deductibles and co-insurance, while also giving you real tax savings.

It's yours to keep

- There is no "use it or lose it" rule
- The balance can grow from year to year
- If you leave your employer, you can take your HSA with you

Use it now, or save it for later

- You can choose to use your HSA for current health care expenses or save it for the future—even into retirement
- Once you reach a balance threshold, you can invest your HSA dollars

It's not just for doctor visits and prescriptions

- Use it to pay for vision exams, eyeglasses, dental exams, hearing aids, long-term care and more

For more information about opening an HSA, visit [whyuhc.com/shbp](https://www.whyuhc.com/shbp).

Earn and save with your UnitedHealthcare plan

Whichever plan you choose, you can earn points and a reward card to reduce your costs. (See page 12 for more information.)

- **With the HDHP plan**, you'll need to meet a minimum deductible threshold before the points you earn are automatically used to reimburse you the cost of eligible medical and pharmacy expenses.**
- **With the Choice HMO plan**, the points you earn are automatically used to reimburse you the cost of eligible medical and pharmacy expenses.

*Be Well SHBP, the SHBP well-being program, is administered by Sharecare.

**For members enrolled in the HDHP, well-being credits cannot be used until the \$1,650 (employee) or \$3,300 (employee + spouse, employee + child(ren) or employee + family) threshold has been met.

The UnitedHealthcare plan with Health Savings Account (HSA) is a high deductible health plan (HDHP) that is designed to comply with IRS requirements so eligible enrollees may open an HSA with a bank of their choice or through Optum Bank, Member of FDIC. The HSA refers only and specifically to the Health Savings Account that is provided in conjunction with a particular bank, such as Optum Bank, and not to the associated HDHP.

Member scenarios

These member scenario examples walk you through different health care situations and estimated health care costs, not including premiums.

John Single coverage

- John is 27 years old, single and in good health
- He's looking for a plan with low monthly premium payments
- The chart below shows how he uses care and an estimate of what it may cost him with each plan
- He decides to enroll in the HDHP with HSA plan

Type of cost	Choice HMO	HDHP with HSA
Preventive care visit	\$0 co-pay	\$0
Emergency room visit	\$200 co-pay	\$1,150
3 therapy visits	\$75 co-pay	\$450
Tier 1 medication	\$20 co-pay	\$150

Well-being credits cost reduction*	(480 well-being credits)	(480 well-being credits after meeting the \$1,650 threshold**)
UnitedHealthcare Reward Card	\$250	\$250

John saves with the HDHP with HSA plan

- Because he has a low premium with the HDHP with HSA plan, John uses his premium savings to fund his HSA so he is prepared for health care expenses now or in the future.***
- John completes the *Be Well SHBP* activities and earns his 480 well-being credits.
- His medical expenses clear the \$1,650 threshold, so he can apply part of his **480 well-being credits** toward his eligible medical bills.
- After redeeming his well-being credits, John receives a **\$250 reward card** from UnitedHealthcare.

How John pays \$1,750 in medical expenses

John receives his \$250 UnitedHealthcare Reward Card

John's HSA balance

John's HSA contribution***	\$2,400
Withdrawal for medical expenses	\$1,650
HSA balance that will roll over to next year	\$750

*Assumes member has earned and redeemed 480 points through the UnitedHealthcare HIA.

**For members enrolled in the HDHP, well-being credits cannot be used until the \$1,650 (employee) or \$3,300 (employee + spouse, employee + child(ren), or employee + family) threshold has been met.

***Voluntary pretax employee HSA contributions can be used to pay for qualified medical, dental, vision and prescription drug expenses, including certain over-the-counter drugs and medications, as defined in IRS Publications 502 and 969. And the HSA rolls over from year to year, so it can continue to grow to be used in the future — even into retirement.

Michelle Employee plus family coverage

- Michelle is 45 years old, married and has two children
- She's interested in a family plan that will help with her family's care needs – including diabetes and asthma
- Michelle considers her out-of-pocket medical costs and reviews the plan deductibles and the premiums for 2025
- The chart below shows how the family uses care and an estimate of what it may cost with each plan
- She realizes that while the deductible is less with the Choice HMO, the monthly premium is higher than it is for the HDHP with HSA
- Michelle decides that if she signs up for a Diabetes Disease Management Program and qualifies for a Co-pay/Co-insurance Waiver Program, she could save money on her diabetes medications
- She decides to enroll in the Choice HMO

Type of cost	Choice HMO	HDHP with HSA
4 sick visits to PCP	\$140 co-pay	\$640
3 preventive care visits	\$0 co-pay	\$0
3 urgent care visits	\$105 co-pay	\$540

UnitedHealthcare Rewards Cards	Two cards at \$250 each for a total of \$500	Two cards at \$250 each for a total of \$500

- Michelle and her husband complete the Be Well SBHP activities and each earn **480 well-being credits for a total of 960 credits**
- The family's **960 well-being credits automatically reimburse** Michelle for the cost of eligible medical and pharmacy bills
- Michelle and her covered spouse each receive a **\$250 reward card (for a total of \$500)** from UnitedHealthcare

How Michelle pays \$655 in medical expenses

Michelle & her spouse receive \$500 in UnitedHealthcare Reward Cards (\$250 each)

Have questions?

If you want to talk to someone about your own coverage scenario, call **888-364-6352**.

*Assumes member has earned and redeemed 480 points through the UnitedHealthcare HIA.

**For members enrolled in the HDHP, well-being credits cannot be used until the \$1,650 (employee) or \$3,300 (employee + spouse, employee + child(ren), or employee + family) threshold has been met.

Take these steps to earn

You and your covered spouse can **each earn a \$250 reward card* (\$500 per household) from UnitedHealthcare.** Here's how:

- When you choose a UnitedHealthcare HMO or HDHP, you and your covered spouse are each eligible to earn up to 480 points to use toward eligible medical and pharmacy expenses by completing the activities under *Be Well SHBP***
- Because achieving your best health is an important personal goal, UnitedHealthcare will also reward you with a \$250 reward card when you complete your *Be Well SHBP*** activities and redeem all 480 points in the Sharecare Redemption Center
- To qualify for points with the *Be Well SHBP*** well-being program and the UnitedHealthcare reward card, you must complete the activities listed below between **January 1, 2025**, and **December 1, 2025**

Earn a **\$250** reward card (\$500 per household) from UnitedHealthcare.

What you need to do	What you can earn
Assess your health—complete the RealAge Test	120 points
Know your numbers with a biometric screening	+ 120 points
Take action Take action with the Coaching Pathway, Online Pathway, Preventive Screening Exams or a combination of all three.	+ 240 points
Total	= 480 points
Earn your UnitedHealthcare reward When you and your covered spouse complete <i>Be Well SHBP**</i> wellness activities and redeem your points, UnitedHealthcare will reward you by sending you each a \$250 reward card.	+ \$250 reward card

Choose from two options to redeem points

There are two ways to redeem points earned in 2025 through the Sharecare Redemption Center:

- 480 well-being credits applied toward eligible medical and pharmacy expenses in your UnitedHealthcare HIA
- A \$150 Prepaid Visa® Card (all 480 points earned in 2024 needed for redemption)

Regardless of how you redeem your 480 points through the Sharecare Redemption Center, UnitedHealthcare will reward you and your covered spouse with a \$250 reward card.

Rollover credits

All unused well-being incentive credits earned in 2024 will automatically roll over to your 2025 plan option. SHBP will deposit your unused credits in the incentive account associated with your 2025 plan selection in April 2025. If you remain with the same medical claims administrator and in the same plan option in which you were enrolled in 2024, rollover credits will be available January 1, 2025.

For details or questions, go to [BeWellSHBP.com](https://www.BeWellSHBP.com) or call **888-616-6411**.

*No fee/expiry. One Reward Card each per member and covered spouse.

***Be Well SHBP*, the SHBP well-being program, is administered by Sharecare.

Know where to go

When you need care, call your PCP first

They have easy access to your records, know the bigger picture of your health and may even offer same-day appointments. If you can't see them, it's helpful to know your quick-care options so you can find the right care and avoid financial surprises.

Get care from anywhere

24/7 Virtual Visits

When you need care quickly, a 24/7 Virtual Visit is a convenient way to help you start feeling better faster. Video chat with a doctor on myuhc.com or the UnitedHealthcare app* from the comfort of home. Doctors can diagnose a wide range of medical conditions and even prescribe medications, if needed.**

Commonly diagnosed and treated nonemergency medical conditions include:

- Allergies
- Bladder infection/urinary tract infection
- Bronchitis
- Cold/flu
- Fever
- Pink eye
- Sinus problems
- Sore throat

Use 24/7 Virtual Visits when:

- You are considering visiting a hospital emergency room
- Your doctor is not available
- You become ill while traveling

To get started, go to uhc.com/virtualvisits.

Network provider telehealth

Your PCP is the doctor who knows you best, yet office visits aren't always the most convenient. These are virtual visits that save you the trouble of visiting your doctor in person. Telehealth visits let you see any network provider who offers a telehealth option.

- Video chat with a network provider of your choice—including PCPs, specialists, behavioral health providers and physical therapists
- The technology used to access the virtual visit is determined by the provider, not UnitedHealthcare

Reach a nurse 24/7

NurseLine provides information from registered nurses who are here to help guide your health care decisions. Get immediate answers to your questions anytime, anywhere — at no extra cost. Call **888-364-6352**.

Virtual mental health care

Need a quicker, convenient way to get mental health care? Virtual therapy offers confidential counseling from a licensed therapist with private video sessions. So, you can receive caring support from the privacy of home and the convenience of your mobile device or computer. These visits have a similar standard of care as in-person visits, and you can see the same therapist with each appointment to establish an ongoing relationship. Virtual therapy may also be a great way for children and teens to get an appointment.

Virtual therapy is designed to help treat conditions like:

- ADD/ADHD
- Depression
- Addiction
- Mental health disorders
- Anxiety

Get started at myuhc.com > Virtual Care > Virtual Behavioral Health Care

Download the app

Through myuhc.com and the **UnitedHealthcare app**, you have easy access to tools to help you:

- Find care and compare costs for providers and services in your network
- Connect with providers through 24/7 Virtual Visits by phone or video to discuss common medical conditions and get prescriptions, if needed**
- Check your plan balances and view your claims
- View your health plan ID card and download it to your digital wallet
- View your HSA balance
- And more

*Data rates may apply.

**Certain prescriptions may not be available, and other restrictions may apply.

Prioritize preventive care

Your body needs regular maintenance. Preventive care can help you catch health problems early when they're easier and less costly to treat.

Get the care you need

Regular preventive care is covered 100% by your health plan when you see a network doctor.

Covered services include:

- An annual exam
- Cancer screenings
- Child and adult immunizations—including flu shots and COVID-19 vaccines
- Cholesterol and blood pressure screenings
- Pap tests and mammography for women
- Prostate screenings for men

To see which preventive care screenings you need and what's covered, visit uhc.com/preventivecare.

Preventive vs. diagnostic care — know the difference

Preventive care includes annual checkups, routine screenings and immunizations that can help prevent health problems before they even start. Diagnostic care includes treatments for symptoms or existing health conditions. While preventive care appointments are covered at 100% with both the Choice HMO Plan and the HDHP, diagnostic treatments performed during your preventive exam may cost extra. Outpatient diagnostic services are covered at 100% with the Choice HMO Plan.

These guidelines are provided for informational purposes only and do not constitute medical advice. Individuals with symptoms or at high risk for disease may need additional services or more frequent interventions. Discuss with your doctor how these guidelines may be right for you, and always consult your doctor before making any decisions about medical care. These guidelines do not necessarily reflect the vaccines, screenings or tests that will be covered by your benefit plan. Always refer to your plan documents for specific benefit coverage and limitations or call the toll-free member phone number on the back of your medical plan ID card.

**SHBP covers as a preventive screening starting at age 18.

Helping you stay healthy

Support for managing chronic or catastrophic conditions

If you or a loved one has a chronic health condition or has experienced a catastrophic health event, you probably have questions. A dedicated, personal nurse can help you and your family explore care options and provide additional support and resources for more than 100 chronic conditions including the following conditions:

- Asthma
- Cancer
- COPD
- CAD
- Diabetes
- Heart failure
- Kidney disease

Personalized guidance throughout your pregnancy

If you're thinking about having a baby, or already have one on the way, maternity support is here to provide information and resources. Start by taking a maternity support assessment, which only takes minutes to complete. You'll get 24/7 access to seven online maternity courses covering topics from preconception through postpartum.

Based on your responses, a maternity nurse may reach out to you and connect you with the care you need, answer your questions and support you every step of the way.

New! Flexible fitness options

Being healthy shouldn't be a grind. It should involve trying new things, pushing yourself to be slightly better than you were the day before. With One Pass Select®, our mission is to make being healthy fun for all. No matter your current fitness level, we have a wide variety of activities to challenge you. From strength training and swimming, to yoga and spin classes, you can try new things and push yourself physically and mentally.

Find your fit with One Pass Select starting at less than \$1 per day.

Access to the nation's leading health care facilities

Our Centers of Excellence network provides access to leading health care facilities, physicians and services to support safe, specialized and cost-effective care for services such as transplant and cancer care.

Bariatric Resource Services

If you are considering surgical treatment for obesity, you need to make some difficult and important decisions. Among the most important decisions are which treatment to get and where to receive it. When you enroll in the Bariatric Resource Services program, an experienced bariatric nurse will work with you to help you make informed decisions and find a Bariatric Center of Excellence for weight-loss surgery with better outcomes and fewer complications.

Save on condition-related prescriptions

With the Co-pay/Co-insurance Waiver Program, you may not have to pay any co-pay or co-insurance for certain medications. If you are participating in and meet the requirements of a disease management program for diabetes, asthma, CAD or medication addiction treatment, the program may cover co-pays or co-insurance for certain medications used to treat that condition. **That means you could save up to hundreds of dollars per year, depending on which medications you are taking over a 12-month period.** See your health plan documents for details or call us at **888-364-6352**.

Support for emotional well-being

From everyday stress to ongoing concerns like anxiety, depression and substance use, you have access to a wide range of resources and ways to get support. Start by visiting myuhc.com to see all that's available.

Use the **provider search tool** to find therapists, psychiatrists or other behavioral health clinicians and facilities near you

Behavioral health support

Get confidential help in person or virtually from a psychiatrist or therapist for:

- Depression, stress and anxiety
- Substance use and recovery
- Eating disorders
- Parenting and family problems

Calm Health

You may have heard about or even used the Calm Health app. Now you have access to its most popular features and much more with Calm Health. Available through your benefits at no additional cost to you, it includes content written by licensed psychologists.

Work toward well-being goals like:

- Better sleep
- Building skills to manage stress
- Developing resiliency
- Starting and building a mindfulness habit

It's all self-guided, so you can go at your own pace.

ABA therapy

Applied behavior analysis (ABA) therapy — included as part of your benefits* — uses behavioral principles to teach children skills and behaviors they may not otherwise learn on their own.

Substance use treatment

If you or someone you love is struggling with substance use, call the Substance Use Treatment Helpline. It's available 24/7 as part of your benefits and is completely confidential — you can even remain anonymous.

To speak with a recovery advocate, call **1-855-780-5955** or visit liveandworkwell.com/recovery to find care options and resources.

988 Suicide & Crisis Lifeline

Free and confidential emotional support 24 hours a day, 7 days a week for anyone in suicidal crisis or emotional distress.

Call or text **988**. You can also visit 988lifeline.org.

*Pre-certification is required. If your child has already been diagnosed with autism and is receiving treatment, your provider may already be approved.

Here's the fine print

We do not treat members differently because of sex, age, race, color, disability or national origin.

If you think you weren't treated fairly because of your sex, age, race, color, disability or national origin, you can send a complaint to the Civil Rights Coordinator:

Mail: UnitedHealthcare Civil Rights Grievance
P.O. Box 30608
Salt Lake City, UT 84130

Online: UHC_Civil_Rights@uhc.com

You must send the complaint within 60 days of when you found out about it. A decision will be sent to you within 30 days. If you disagree with the decision, you have 15 days to ask us to look at it again. If you need help with your complaint, please call the toll-free member phone number listed on your ID card.

You can also file a complaint with the U.S. Dept. of Health and Human Services:

The UnitedHealth Premium® designation program is a resource for informational purposes only. Designations are displayed in UnitedHealthcare online physician directories at myuhc.com. You should always visit myuhc.com for the most current information. **Premium designations are a guide to choosing a physician and may be used as one of many factors you consider when choosing a physician. If you already have a physician, you may also wish to confer with him or her for advice on selecting other physicians. You should also discuss designations with a physician before choosing him or her. Physician evaluations have a risk of error and should not be the sole basis for selecting a physician.** Please visit myuhc.com for detailed program information and methodologies.

The UnitedHealthcare plan with Health Savings Account (HSA) is a high deductible health plan (HDHP) designed to comply with IRS requirements so eligible enrollees may open a Health Savings Account (HSA) through Optum Bank®, Member FDIC. The "HSA" refers generally to the UnitedHealthcare HSA product, which includes an HDHP, although at times "HSA" may refer only and specifically to the UnitedHealthcare Health Savings Account, provided in conjunction with Optum Bank and not to the associated HDHP. Accounts are offered by Optum Bank and are subject to eligibility. This communication is not intended as legal or tax advice. Please contact a competent legal or tax professional for personal advice on eligibility, tax treatment and restrictions. Federal and state regulations are subject to change. Please check your health benefit plan materials to determine whether your employer will make supplemental contributions to your HSA.

Certain preventive care items and services, including immunizations, are provided as specified by applicable law, including the Patient Protection and Affordable Care Act (ACA), with no cost-sharing to you. These services may be based on your age and other health factors. Other routine services may be covered under your plan, and some plans may require co-payments, co-insurance or deductibles for these benefits. Always review your benefit plan documents to determine your specific coverage details.

24/7 Virtual Visits is a service available with a Designated Virtual Network Provider via video, or audio-only where permitted under state law. Unless otherwise required, benefits are available only when services are delivered through a Designated Virtual Network Provider. 24/7 Virtual Visits are not intended to address emergency or life-threatening medical conditions and should not be used in those circumstances. Services may not be available at all times, or in all locations, or for all members. Check your benefit plan to determine if these services are available.

The Centers of Excellence (COE) program providers and medical centers are independent contractors who render care and treatment to health plan members. The COE program does not provide direct health care services or practice medicine, and the COE providers and medical centers are solely responsible for medical judgments and related treatments. The COE program is not liable for any act or omission, including negligence, committed by any independent contracted health care professional or medical center.

One Pass Select is a voluntary program. For self-funded participants nationally, it features a subscription-based nationwide gym network, digital fitness and grocery delivery service. The information provided under this program is for general informational purposes only and is not intended to be nor should be construed as medical advice. Individuals should consult an appropriate health care professional before beginning any exercise program and/or to determine what may be right for them. Purchasing discounted gym and fitness studio memberships, digital fitness or grocery services may have tax implications. Employers and individuals should consult an appropriate tax professional to determine if they have any tax obligations with respect to the purchase of these discounted memberships or services under this program, as applicable.

The information provided under Maternity Support is for general informational purposes only and is not intended to be nor should be construed as medical and/or nutritional advice. Participants should consult an appropriate health care professional to determine what may be right for them. Employers are responsible for ensuring that any wellness programs they offer to their employees comply with applicable state and/or federal law, including, but not limited to, GINA, ADA and HIPAA wellness regulations, which in many circumstances contain maximum incentive threshold limits for all wellness programs combined that are generally limited to 30 percent of the cost of self-only coverage of the lowest-cost plan, as well as obligations for employers to provide certain notices to their employees. Employers should discuss these issues with their own legal counsel.
